

Waterloo Technique Stamp Club 2018-2019

Would you like to join a group of stampers that meets for regularly scheduled meetings or just put in an order every other month without meeting? Would you like to learn more stamping tips and techniques and earn FREE stamps and products? This ensures you receive the Annual Idea Book & Catalog, Semi-Annual Occasion Catalogs, and the Saleabration Brochure when they come out during the year.

You should join my...

Techniques Stamp Club!

Here's how it works:

- Six people need to sign up to participate. These club participants meet at My Stamping Place for six months out of the next twelve months. Club months are: July, September, November, January, March & May.
- The club is set up on the 1st Wednesday of the above months unless a change needs to be made for a particular month usually due to a Holiday. You would be notified ahead of time.
- At each club meeting you will learn 1, possibly 2 techniques depending on difficulty & time it takes. You will make 2 cards + an extra piece of any technique we learn. This extra piece(s) will be added to a 6x6 scrapbook page with the instructions so you can put together your own book of techniques if you wish.
- You each agree to spend at least \$25 (before taxes & s/h) at each of the meetings. (Remember, Stampin' Up! requires that a workshop has \$150 or more in sales to collect hostess benefits.)
- Club members will take turns acting as the hostess. Every hostess will get *at least* \$15.00 in Hostess Dollars. With the Hostess Dollars you can order anything in the catalog but can receive more for your money by buying in the Hostess Section of the catalog as these items are deeply discounted. Non Club Members can attend & make the projects for \$10.00 or for free with a \$25.00 order. I will need to know a week prior to Club day if there will be any guests so I can make sure I have enough supplies on hand & have the extra paper cut.
- The hostess may bring a simple snack their month if they wish but this is not required. I do ask everyone to bring their own beverage if needed.
- Club members will bring their own adhesive unless the technique uses a particular adhesive that I would provide. If you want to keep an adhesive in one of my drawers with your name on it, you can do this so you don't forget.
- Club members agree to pick up their orders from me.
- If you are unable to attend your normal club night you may contact me to make up the projects either at open stamping or another night that works for both of us.
- You will have the option of paying by cash, check, or credit card.
- You will have to have your order to me by the day of the meeting if you are unable to attend. You may email or text me your order. If your order is not received by the day of the meeting, you are authorizing me to order perishable supplies as picked by you below. Perishable

supplies would include cardstock, adhesive, adhesive refills etc. These items would be ordered using the credit card information you provided.

Let me know if you have any questions, otherwise just fill out the form below and return it to me with your credit card information to sign up for a club. You may contact your friends and form your own club (of 6), if you like. You can even set up a club with more or less persons. You just have to make sure to divide up the number of persons into \$150 to make sure everyone would get hostess benefits and it would also change how many months you would meet. There has to be one month for each person. For example, 4 persons would meet 4 times & have to purchase \$37.50 each meeting or 8 persons would have to meet 8 times & have to purchase 18.75 each meeting.

New Club members are taken on a first come basis, so call or get your form to me today.

This offer is only available through Michele Schmidt
